

Protein Digestor

BIOGO

Professional
Formula

Description:

BIOGO is a professional grade spotter designed for the toughest protein stains. **BIOGO** breaks down the proteins of the foreign matter and eliminates odors associated to the spill.

BIOGO is fast-acting and safe to use on all synthetic fibres in carpet and upholstery. Effective in the removal of foodstuffs as well as some bodily fluids, **BIOGO**'s ready-to-use formula and short dwell time makes it an important tool in the professional cleaner's arsenal.

pH in concentrate: 7.5

Instructions for Use:

1. Flush thoroughly and moisten stain with warm water.
2. Apply **BIOGO** directly to stained area.
3. Use bone scraper gently, if necessary.
4. Tamp affected area with brush to agitate and allow a minimum of 15 minutes dwell time.
5. Flush with hot water extraction using **Kleer** rinse solution (follow label directions).

In extreme cases, a second application may be required.

Caution:

Before application, pretest for colorfastness in an inconspicuous area. Read MSDS before use. Wash thoroughly after handling.

Keep out of reach of children. Keep from freezing.

- Devours protein stains
- Uses natural microbes
- Deodorizes as it digests

Your customers deserve the red carpet treatment. We think you deserve it too!
