

MAX LAUNDRY PLUS

concentrated all purpose liquid laundry detergent

DESCRIPTION

Max Laundry Plus is closed-looped, phosphate-free liquid detergent for all laundry fabrics: cotton, wool, synthetics, and blends with effective cleaning action at warm and hot water temperatures. Optical brighteners assure whiter whites and brighter colours. Special wetting agents break the chemical bond between oily stains and polyester fibres for even cleaner results. A unique blend of ingredients controls foam to prevent loss of wash action. **Max Laundry Plus** does not contain any enzymes so it's gentle enough for hand washing wool garments

FEATURES & BENEFITS

closed-loop system • biodegradable ingredients • phosphate-free • brighteners included in formulation • excellent stain removal • gentle for wool garments • no enzymes

DIRECTIONS

Max Laundry Plus is designed to be dispensed directly from the container by your liquid laundry injection system. All laundered fabrics for use in food plants must be thoroughly rinsed with potable water before re-use.

FIRST AID

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes. Call a physician. **Inhalation:** Remove to fresh air. Call a physician. **Ingestion:** If swallowed, promptly give plenty of water or milk. Do not induce vomiting. Call a physician.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

STORAGE & HANDLING

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

Do not store in aluminum, copper, copper alloys and galvanized containers.

PHYSICAL DATA

Package: 4 x 3.78L cases

Appearance: liquid

Colour: greenish blue

Foam: medium

Odour: pleasant

pH: neutral
