

DESCRIPTION

Oxygenic was developed to combine the power of peroxide with biodegradable emulsifying detergents to provide fantastic cleaning and deodorizing results. Oxygenic uses the proven power of peroxide to brighten and deodorize a variety of surfaces. It can be used for canvas cleaning and to remove moss. Economical in use, its unique blend of detergents penetrates and emulsifies grease, grime and dirt.

FEATURES & BENEFITS

EcoLogo™ certified • fully biodegradable • Canadian Food Inspection Agency (CFIA) approved • as a disinfectant kills 99.9% of bacteria, fungi and viruses • as a sanitizer, kills 99.9% of bacteria • biodegradable emulsifying detergents

DIRECTIONS

Daily damp mop cleaning: Use ½-1 oz. per US gallon of cold water (4-8 ml/litre) (1:128-1:256) Note: BacStop mops are not recommended for use with this product.

General cleaning & deodorizing: Use 2 oz. per US gallon of cold water (16 ml/litre) (1:64)

Cleaning & whitening ceiling tile & stippled ceilings: Mist on at 16 oz. per US gallon of cold water (125 ml/litre) (1:8). Be sure to cover everything below ceiling.

For general sanitizing of food contact hard surfaces: 1100 ppm active HYDROGEN PEROXIDE. Dilute 1 part Oxygenic with 60 parts water. (16.5mL/litre)(2.1 fl. oz per US gal.)

Ensure surfaces are cleaned (i.e. organic matter and debris are removed) prior to sanitizing. A suitable concentration/ppm testing method must be available and used regularly to ensure correct sanitizer levels. Sanitized surface must be air-dried. All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

First Aid:

Inhalation: Immediately remove the affected victim to fresh air. Call a physician. Oxygen or artificial respiration if needed. Do not use mouth-to-mouth method. Induce artificial respiration with the aid of a pocket mask equipped with a one-way valve or other proper respiratory medical device. **Eyes & Skin Contact:** Immediately flush with water for at least 15 minutes. Call a physician. **Ingestion:** Call a physician or poison control center immediately. Rinse mouth. Do not induce vomiting. If vomiting occurs, keep head low so that stomach content doesn't get into the lungs.

For further information, please review the **Safety Data Sheet (SDS)** and Product Label.

Storage & Handling:

Use good industrial hygiene. Do not get in eyes. Avoid contact with skin and clothing. Avoid breathing sprays or mists. Store in a cool, dry place away from incompatibles. Keep container closed when not in use. Do not mix with any other chemicals. Store at temperatures below 30°C (86°F) and keep from freezing.
