

DESCRIPTION

HD Laundry detergent is built for use in hot water. HD Laundry combines detergents and alkaline builders to provide a ready to use one-shot product. HD Laundry is a heavy duty detergent. It is not intended for hand washing. Do not use on wool or fine fabrics.

FEATURES & BENEFITS

combines detergents and alkaline builders • for use in hot water • works in hard or soft water • economical (only 75 grams per load) • no additives required • built for commercial use

DIRECTIONS

Usage:

Normal Washing: 75 grams HD Laundry per load. Less or more may be used depending on the soil condition of the wash load, the size of the machine and the amount and hardness of water in the machine. Before selecting the temperature of water for the machine, determine the type of fabric to be washed and select the correct temperature recommended by the fabric manufacturer. Some machines have the settings for different fabrics on the temperature dial (wool, nylon, cotton, synthetics, etc.).

First Aid:

Eyes & Skin: If eye or skin contact occurs, immediately flush with plenty of water for at least 15 minutes.

Call a physician. **Ingestion:** If swallowed, promptly give water or milk. Induce vomiting. Call a physician.

Inhalation: Do not breathe dust.

For further information, please review the **Safety Data Sheet (SDS)** and Product Label.

Storage & Handling:

Keep out of reach of children. Protect eyes and skin when handling product. Store in closed, original container at room temperature. Keep from freezing.

PHYSICAL DATA

Package: 10Kg pails

Appearance: powder

Colour: blue

Foam: low

Odour: lemon

pH: alkaline
