

INCREDIBOWL

Bowl and Urinal Cleaner

DESCRIPTION

Incredibowl is a clinging liquid acid cleaner with a pleasant cherry-almond fragrance. ***Incredibowl*** aggressively removes stains, rust and mineral deposits...making a tough job much easier!

Incredibowl cleans and deodorizes in hard to reach places due to its "cling". Its concentrated formula is designed to save the maintenance professional time and money.

SPECIAL INFORMATION

Strong acid - avoid contact with eyes and skin. Do not breathe ***Incredibowl***'s vapors and keep container tightly closed. Store upright at temperatures above freezing and do not mix with bleach or any other cleaners. Do not use on soft metals such as aluminum.

DIRECTIONS

Urinals:

Use full strength around the urinal rim. Swab entire urinal and then flush.

Toilets:

Use full strength under the toilet rim. Swab entire bowl and rim and then flush.

Showers:

Dilute ***Incredibowl*** 64 oz per gallon of water (500 ml/litre) (1:2). Swab surface and let stand for 2 to 3 minutes. Scrub the surface, and then rinse thoroughly with water.
